The developer reserves the right to make modifications and changes to units, layouts, elevations, specifications and prices without notice. Square footage is based on an approximation of each individual unit and is not intended to be the measure of property. All measurements are given in whole and decimal values of inches, feet, and so on. The Purchaser is responsible for verification of the exact layout and square footage. All measurements, layouts, models and images are artist's conceptions and are not intended to be an actual depiction of buildings, structures or landscapes. Reception only. Ask Sales Representative for details.
