On behalf of the Polinsky Center here in San Diego, Ms. Ardyth Shaw would like to extend her heartfelt gratitude to the residents at the Grande South at Santa Fe Place, the Grande North at Santa Fe Place, the Pinnacle Museum Tower and the team at Concierge at Large, Inc. for their kind generosity. Toys, books, clothing,

watches and much, much more were gathered in the donation bins in each lobby- and they were overflowing! The Executive Team from C.A.L. delivered the items on Monday, December 18 to an awe-struck staff at the Polinsky Center! Thank you for making a difference in these children's lives. Happy New Year to you all!

At The Melting Pot, guests discover all the ingredients for a unique dining experience including a relaxed atmosphere, private tables, attentive service, fine wines and signature fondue dinners. The first Melting Pot opened in Maitland, Fla., just outside of Orlando, in 1975 and remains open at its original

address. The early menu consisted of just three items: Swiss cheese fondue, beef fondue and a chocolate fondue dessert. Today, guests can enjoy a wide variety of creamy cheeses and signature entrees including duck, blackened chicken breast, lobster, filet mignon, shrimp and more. The

current menu also offers nine decadent chocolate fondue desserts. At The Melting Pot, fondue becomes a memorable four-course dining experience where you can dip into something different.
