Rock n' Roll Marathon, June 3

Approximately 20,000 runners will participate in this year's Rock 'n' Roll Marathon coming Sunday, June 3. Billed as 26 miles of rock 'n' roll, this is one of America's fastest and most scenic courses, racing through the park and by the harbor. The marathon,

which debuted a new course in 2005 to minimize interference with the trolley lines, starts at historic Balboa Park, snakes through the Gaslamp Quarter and circles Petco Park before heading west to Harbor Drive and looping

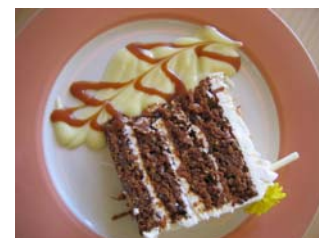

counterclockwise through Mission Bay, ending in Point Loma. Keep in mind freeways, trolley lines, bus routes and other modes of transport will be affected during the race. Your Concierge has the details on how our building will be affected.

Twilight In The Park

Temecula Valley Balloon and Wine Festival

The bright blue skies of Southern California are a welcome backdrop for the annual spring Temecula Valley Balloon and Wine Festival. During the casual three-day fest, visitors sample local wineries, check out a smattering of vendors, listen to live music and watch the horizon for colorful hot-air balloons in flight. This year's event takes place **June 1-3** at Lake Skinner. Opening night features a fiery balloon glow after sundown, when colorful tethered crafts are lighted from within. Saturday and Sunday begin with an early-morning balloon launch (weather permitting). The balloon glow, which also takes place Saturday night, is orchestrated to music broadcast from the Main Stage. Wine tastings are offered at an additional cost and happen daily in the Wine Garden, with samples from more than 20 Temecula Valley and South Coast appellations. The Wine Garden is open from 5 to 9 pm on Friday, 11 am to 9 pm on Saturday and 11 am to 5 pm on Sunday. Tastings cost \$15 for seven tastes plus a souvenir glass. Gates open at 5 pm Friday, and 6 am Saturday and Sunday. For more information on this year's festival, contact your Concierge!

Australian Wine Week

Wine Australia, an organization of Australian wineries and importers, hosts a week of wine tastings and dinners across San Diego County from **June 6 - 12**. More and more Americans are discovering the diversity of Australia's 63 wine regions. These regions are located across the country with 103 "defined geographic indications" for wine growing districts covering zones, regions and sub-regions. Highlights of the week include dinners at local hot spots such as Bondi, Wine Vault Bistro, tastings at San Diego Wine and Culinary Center, competitions, an Australian BBQ and seminars. Contact your Concierge for more information.
