2008 San Diego County Fair

The June 14 opening of the 2008 San Diego County Fair is just around the corner. Favorite rides, food, exhibits, contests and entertainment will return, and new features will create fond memories of their own for Fairgoers. With a summer of big sports events here in San Diego County (the U.S. Open) and in China (the Olympic Games), the Fair's 2008 theme is "Summer of Sports," a celebration of sports and athletes around the world. What's new at the fair this year? Well, Pop/R&B star Fergie is just one of the top entertainers who will perform for the first time at the Fair. The worlds

largest barbecue, the Outlaw Grill, will make its Fair debut in the infield. Measuring 20 feet high, weighing 27 tons and covering nearly 100 feet of grill space, the massive piece of equipment can cook more than 1,000 items simultaneously. Two new rides, StarFlyer and Speed, will offer adventure and thrills. There will be three new food competitions: Zucchini Race Contest on June 28, where entrants attach wheels to a zucchini, then decorate and race it; Make it With Malt-O-Meal on June 21, a recipe contest; and the Tailgate Party

Food contest on June 30. Finally, new exhibits will focus on agricultural topics past and present in the AgriFair building. This fair is the largest annual event in San Diego County and the fifth largest fair in the United States! The Fair will be open June 14 through July 6. Contact your Concierge if you would like more information.
